The Digital Publishing Alliance is a member-supported initiative of the Donald W. Reynolds Journalism Institute at the Missouri School of Journalism in Columbia, Missouri. Membership dues are used to help fund support staff and graduate student assistants; contract with programmers, designers and researchers as needed for member-approved projects; host meetings, seminars and workshops; gather and disseminate information to members; conduct usability research and help fund field tests and focus groups for DPA projects; and for other purposes approved by the members. 12/8/2009
